Ordering Instructions

Order online at fedcoseeds.com/bulbs

Or mail your order form with payment to:

Fedco Bulbs

Clinton, ME 04927

- You will find **shipping weights** for each item on the 2023 price list.
- Keep a copy of your order for your records.
- **We do not take phone or fax orders.**

Volume discounts apply to orders submitted by **August 11, 2023**, with subtotals of \$100 or more. Sorry, no volume discounts on later orders. See order form for details.

Group orders

To earn higher discounts and save on shipping, talk to your neighbors into going in on an order. Group orders are processed as one order shipped to one address. Qualifying discounts apply to the group subtotal. To submit by mail, collect all order forms for your group, calculate the group totals onto an additional order form as your cover sheet, and send it all in with one payment.

To submit online, visit:

fedcoseeds.com/bulbs/groups.htm

Substitutions

With live plant material, there are inevitably a few shortages. We find most people prefer getting bulbs and plants to getting a refund. There are two checkboxes on the order form: one to accept or decline a variety substitute, and one to accept Eco-grown garlic in lieu of certified organic. If you don't check anything, we assume that you mean Yes. When you indicate Yes to both, if a variety becomes unavailable, we will follow this protocol, *all subject to availability*:

- Substitute a flower of similar color, form and season.
- Substitute a garlic of similar class and form.
- Send Eco-grown garlic of the same or similar type.

For all substitutions, we will refund any price difference.

Out of Stocks

When we don't know about a shortage until the last minute, it's impossible to contact customers individually. We will issue you a refund. Please accept this as a condition of ordering.

Tax Exemption

Retailers and farms: We need a copy of your state resale certificate or farm exemption, otherwise we must collect sales tax.

- For mail orders, send us a photocopy of your certificate.
- For online orders, please email us at questions@fedcoseeds.com with a scan of your tax exemption certificate *before* placing your order.

Deadlines

- **Volume discount cutoff is Aug. 11, 2023.**
- **Final order deadline is August 25, 2023.**
- We fill orders in the sequence we receive them. If you want bulbs early, *please order early.*

Shipping & Rates

- We ship via FedEx or USPS Priority Mail; our choice unless you specify.
- Orders going to **Alaska, Hawaii, APO/FPO**, or a **PO Box** in any state *must* go Priority Mail. Please include a postal address.
- Sorry, no shipments to Canada.
- If you are submitting a paper order form, please fill in each item's shipping weight, found on the 2023 price list. (When ordering online, shipping weights are calculated automatically.)

Shipping Schedule

- **We start shipping October 2.** If this is too late for your planting zone, please plan ahead and prepare beds or pots accordingly.
- We strive to fill orders in the sequence we receive them, but we may hold off on shipping until every item on your order is in stock.
