Deadlines

- Scionwood order deadline is **February 16, 2024**.
- Final order deadline (except scionwood) is **March 1, 2024**.

Pickup

We are no longer offering a pickup option.

Shipping Rates

- We ship via FedEx or USPS Priority Mail, our choice.
- **Maine** customers pay only flat-rate shipping fees.
- **Alaska** shipments are sent via USPS Priority Mail. Please include a postal address. *This rate also applies to Hawaii and anyone in the Lower 48 who requires postal delivery.*

Small & Light shipping

applies only to orders in the Lower 48 that exclusively contain item numbers beginning with L: perennials, bulbs, strawberries, rhubarb, hops, asparagus, scionwood, etc. If you order other items in addition to these, you must pay the higher shipping rate.

Shipping Schedule

- Scionwood and early rootstock orders ship **around March 11**.
- We ship everything else **approximately March 26 through May 10**. We begin with warmer areas, working our way to coldest areas last. We do not ship outside of this range of dates.
- If you provide an email address, you will receive an email update in mid-March with the approximate ship date for your order. When your order ships, you'll receive an email with the tracking number.
- Please allow 1-3 business days for delivery in the Northeast, and 3-7 days for locations farther south and west.
- **No Special Ship Dates!** We cannot accommodate specific ship date requests or guarantee your order will arrive on a certain day. If you are away during our shipping dates, consider having your plants shipped to a friend or neighbor to care for them until you return.
- Check our website in the spring for an approximate shipping schedule.

Out of Stock

We fill all orders on a first-come first-served basis. Some customers wonder why we don't contact them when something on their order is out of stock. We understand the disappointment. Some of our stock arrives in November to be stored through the winter, but much more of it arrives in early spring just before—or even during—shipping. When we don't know about a shortage or crop failure or damage until the last minute, it's impossible to contact customers individually. We will issue you a refund. Please accept this as a condition of ordering.

Substitutions

If something becomes unavailable, our default mode is to substitute a similar variety because most people prefer a similar tree or plant to a refund. On the order form, if you indicate you don't want any substitutions, we'll send a refund. You'll have the option to donate some of your refund to the Maine Heritage Orchard.

Handling Charges

We charge \$10 for handling each time you adjust your order. Additions and deletions are costly for us to process. You are welcome to place as many separate orders as you wish.

Cancellation Policy

If you must remove items after our final order deadline, we will charge a \$20 fee. If you must cancel after the deadline, we will retain a \$20 fee or 20% of the order total, whichever is greater. *Please don't make us do this.*

Unlike most businesses, we take orders from this catalog for about five months and then fulfill them all in a span of a few weeks. When we receive last-minute cancellations or order reductions after we've closed for ordering, we cannot resell the plants we've designated for your order.

Plant Sizes

Unfortunately, we can't take requests for particular plant sizes or branching preferences. We grade for healthy trees with excellent root systems. Sizes listed for each item should be considered an average. The trees and shrubs in your shipment will sometimes be slightly larger and occasionally smaller than these projections.

Scionwood and early rootstock orders ship around March 11, 2024.

- We'll send an email notification when your order ships.
- We routinely send scions and rootstock during cold weather. Even if your package is shipped in low temps or delayed by snowstorms, the plant material will be okay.
- However, we are not responsible for the quality of plant material in the event your package is not promptly opened once it arrives.

We aim to provide wood that is 1/4" in diameter. When only smaller wood is available and we consider it usable, we send it. We do not issue refunds or replacements based on diameter of wood. No refunds for leafed-out rootstock—it's fine to use.
