(Make checks payable to **Fedco**)

Scionwood, or scions, are twigs for grafting. They are \$5 each and are approximately 8" long. **For larger quantities consider buying by the foot:** 10-foot minimum per variety, \$4.50 per foot.

Scionwood quantities are limited, so order early. We try to provide wood that is close to 1/4" in diameter. When only smaller diameter wood is available, we send it out. If you do not want smaller diameter wood, leave a comment on your order and we'll refund your payment.

Please note: we ship scionwood in March only.

Deadline is Feb. 16, 2018, for ordering scionwood and rootstock for shipment around March 12, 2018*.

*Scionwood-only orders will possibly ship a little sooner and orders with rootstock will possibly ship a little later. **Remain calm.** You will receive an email notification when your order ships.

- **Upon receiving your order**, please inspect your scionwood immediately. Any shipping errors, unlabeled scionwood, or scion abnormalities should be reported to Fedco Trees ASAP.
- **Store scionwood** in a dark location with temperatures between 32 and 38° F, triple-bagged in plastic. Your scionwood should remain viable well into May.
- **For more information about varieties**, please check our website: fedcoseeds.com/trees.
- **For grafting supplies and literature**, please refer to the Organic Growers Supply section of the Fedco Seeds catalog.
- **If you'd like to learn more about grafting**, please join us on March 25, 2018 at MOFGA's Seed Swap and Scionwood Exchange in Unity, ME, or check our website in March for a list of spring grafting classes in Maine.
