Save on Shipping with Depot Pickup!

Want to order some rock powders or a sack of potatoes, but find the cost of shipping prohibitively expensive? Never fear—shipping depots are here!

We can ship full pallets of goods at much lower per-pound rates than FedEx packages, but few customers order hundreds of pounds at a time. We have farms and storefronts throughout the Northeast lined up to accept monthly pallet shipments of Growers Supply goods so our customers can pick up their orders close to home at shipping costs up to 80% lower than FedEx rates.

- Potato orders ship to depots in April.
- OGS orders can ship to most depots March-May. A few depots accept shipments only in April, when the potato orders ship. Our most popular depots also receive an October shipment. We have to adjust this schedule based on order volume and the availability of our depot coordinators. You can check currently available depots at fedcoseeds.com/ogs/depot_shipping.htm or email logistics@fedcoseeds.com
- Depot orders are accepted online only, as we need to communicate with depot customers electronically.
- We accept depot orders all winter, but depot shipments won't begin until March. During depot shipping season, each depot has a monthly order deadline; orders are generally ready to pick up within two weeks after the order deadline. Alice's mechanic says his work is "good, fast, and cheap: pick two." We do not recommend depot ordering if you are in a hurry! We will send pickup instructions when your order is ready. Your order will be stored inside and labeled clearly with your name. We ask customers to pick up their orders within a week of arrival at the depot.
- Group orders are welcome to ship to depots to double up on their savings.
- We need to collect at least 500 lbs worth of orders to make a depot shipment happen. If we have to cancel a depot shipment, we will offer to rebill you for FedEx shipping or to cancel and refund your order.

At press time, we had depots in these locations:

- **Maine** (Whitefield, Edmunds, Camden, and York);
- **New Hampshire** (Canaan, Contoocook);
- **Massachusetts** (Buzzards Bay and Lanesborough);
- **Rhode Island** (Cranston and Little Compton);
- **Vermont** (Dummerston and Manchester);
- **Connecticut** (Simsbury and Woodbridge);
- **New York** (Nedrow, Oneonta and Delmar);
- **New Jersey** (Asbury and Pennington);

There may be others available by the time you order; or, some depots may decide to close to the public if the Covid situation worsens. When you check out online and select "Ship to Depot," a current list of available depots will appear in a drop-down menu.

Truck Shipping

For orders over 200# consider delivery by freight truck. This option can save you oodles of dough, but it's not as simple as shipping with FedEx. Before you ask us to ship by truck, please note the following requirements:

- (1) Your road and driveway must be able to accommodate a full-sized tractor-trailer truck and allow it to turn around. Commercial truck drivers are skilled, but they are not superhuman.
- (2) You must be present to accept the delivery. We ask our freight companies to contact our customers before delivery so that you know when to expect your order.
- (3) You must provide equipment or labor to unload. A forklift is best, but unloading by hand is okay if you can do it in less than fifteen minutes. We can request a lift gate to lower the pallet to the ground for a fee of \$50-150 depending on the carrier.
- (4) Additional fees may apply outside the Northeast if your location does not have an office open to the general public during normal business hours.

If your own location is not suitable for receiving a freight delivery, try inquiring at a local garden center or lumberyard. Such businesses may be willing to accept the delivery for you. We will need their business name, delivery address and dock hours.

We have flat rates for New England, NY, NJ & PA for pallets weighing up to 2000# (please see the chart on page 163 or 165). For a quote on deliveries outside this area or for deliveries of four or more pallets, please email ogs@fedcoseeds.com with your zip code and the weight of your order. If your order weighs 300-800# and you live near one of our shipping depots in the Northeast, that will probably be your cheapest option.
